

## **Learning Under the Sun 2012 “Summer in Motion” for Students Entering Grades 4-8**

Learning Under the Sun (LUS) is a summer science-enrichment program for students entering grades 4-8. LUS celebrates 24 years of operation in 2012! The theme for the 2012 LUS program is “Summer in Motion”. Each day will be packed with exciting hands-on lessons where students will be building, working with scientists, learning about hot air ballooning, and studying tornados. Throughout the two weeks, students will travel to the horse races, visit wind turbines and a wind farm, go to a baseball game, a county fair and grounds as well as visiting a college. The students will also travel to Indiana Beach. We will eat at Purdue University prior to attending classes and activities at the University. Each year we have a contest and this year it will feature Gigantic kites.

Transportation to all field experiences will be provided by LUS. Parent(s)/guardian(s) must provide daily transportation to the base location at Allisonville Elementary School, 4900 East 79th Street. All materials, equipment, and supplies are provided, as well as breakfast and lunch.

### **To apply:**

- 1. Parent(s)/guardian(s) must complete the student application for LUS.**
- 2. Mail completed application (one per child) and \$50 check made payable to “Learning Under the Sun” to:**

**Mike Pomeranke  
Learning Under the Sun  
Allisonville Elementary School  
4900 East 79<sup>th</sup> Street  
Indianapolis, IN 46250**

Learning Under the Sun 2012 has room for 185 students. **The application and remaining \$175 is due Friday, May 11, 2012.** Spots fill quickly. Vacancies are filled from a waiting list, so don't delay!

**Dates:** June 11-22 2012  
**Time:** 7:45 a.m. to 3:00 p.m.  
**Location:** Allisonville Elementary School  
4900 East 79th Street
