

JOIN THE HALFTIME HUDDLE

PRESENTED BY
METHODIST SPORTS MEDICINE, OFFICIAL
TEAM PHYSICIANS OF THE PANTHERS, IN PARTNERSHIP
WITH NORTH CENTRAL HIGH SCHOOL ATHLETIC DEPARTMENT

PREVENTION AND CARE FOR PANTHERS' FAMILY OF ATHLETES

TOPICS WILL INCLUDE: Education and awareness of common athletic injuries sprains and strains, skin related issues (MRSA), prevention and treatment of foot and ankle injuries and conditions, and common issues and injuries that young athletes encounter during summer camps and recreational programs.

Orthopedic physician specialists and certified athletic trainers from Methodist Sports Medicine will cover conservative care and surgical options and be available for questions and answers at these sessions.

Welcome all NCHS Athletes, Coaches, Faculty and Parents
