Board Approves New Principal For Eastwood Middle School

INDIANAPOLIS, IN (May 14, 2014) – The School Board of the Metropolitan School District of Washington Township, tonight approved the appointment of Mr. Nathan Day to the position of Principal of Eastwood Middle School, effective at the beginning of school year 2014-15.

Mr. Day comes to the district from Franklin Township Community School Corporation where he is currently serving as the Principal at Franklin Township Middle School West. Prior to being principal, Mr. Day served as Vice Principal at the same school.

"I am both excited and honored for the opportunity to join the Washington Township community as the principal of Eastwood Middle School," said Day. "The district is doing great things for young people and I look forward to collaborating with students, staff, parents, and the community as a whole to be an integral part of the continued success. I invite the education stakeholders of this community to come visit Eastwood Middle School, home of the Eagles, as we link arms and pursue the mission and vision of Washington Township!"

Mr. Day is the 2014 District 7 Middle School Principal of the Year and has held positions in Marion Community Schools, Hamilton Southeastern Schools in Fishers, and School City of Mishawaka, as both Assistant Principal and Teacher of Mathematics.

Nathan Day holds a B.S., Mathematics from Purdue University and a Masters in Education Leadership from Indiana University
