

# Introduction Letter to Families

## Dear Families,

The Indiana Department of Education's *Hoosier Family of Readers* literacy initiative is proud to inform you that your family will have an opportunity to use an innovative literacy program called myON this summer!

myON provides every student access to the largest library of enhanced digital books in the country. These enhanced digital books provide optional multimedia supports, including professionally recorded audio, text highlighting, and an embedded dictionary to support student reading at all levels. With myON books, every student can have access to more than 5,000 diverse titles. The myON platform allows students to take ownership of their reading interests and literacy growth.

Through the *Hoosier Family of Readers*, you will be provided free access to myON books for the summer. myON will provide you with infinite access to a growing collection of enhanced digital books that can be read anytime, anywhere there is an Internet connection. myON is also accessible through mobile devices and reading can occur offline by downloading books through the myON app found in the Apple App Store or Google Play.

We are excited to give our families the opportunity to spend time with their children in an engaging, fun reading environment. Create "your family of readers" and engage your children all summer long!

Sincerely,

Glenda Ritz, Indiana Superintendent of Public Instruction

### TO LOG INTO MYON

1. Go to [www.myon.com](http://www.myon.com)
2. Click the red Login Button
3. Enter "School Name:" **Hoosier Family of Readers** (The School Name will automatically populate as you type)
4. Enter Username and Password: Your username AND password is **read** plus the number of the region where you live. For example if you lived in Indianapolis your username and password would be **read9**. Refer to the map below for your region's number. All usernames and passwords must be lower case.
5. Begin Reading! Click on All Books to browse through the entire myON Library and enjoy reading with your child this summer!
