We're here for you.

Visit the Health and Wellness Center at Washington Township for:

Preventive Care

- Annual physicals and routine health exams
- Women's health exams (pelvic exams and pap smears)
- Men's health exams (including prostate exams)
- School, sports and CDL physicals
- Preventive screenings (blood pressure, blood sugar, cholesterol)
- Immunizations (seasonal flu, hepatitis B, tetanus boosters)

Immediate and Primary Care

- Diagnostic screenings (influenza, strep throat, vision, etc.)
- Treatment of minor illnesses and injuries (sore throat, flu, seasonal allergies, stomach pain, sinus infection, eye infection, skin infection, rash, etc.)
- Management of chronic illnesses (diabetes, high blood pressure, COPD, high cholesterol, etc.)

Lab Services

- Screening and diagnostic labs as ordered by your doctor

Pharmacy – Short-term supplies of common generic medications are provided by the center at no charge.

Meet our healthcare provider.

Suzanne Montgomery, MD

- Board certified in Family Medicine
- Nearly 30 years of patient care experience
- Medical degree – Indiana University School of Medicine
- Family medicine residency – St. Vincent Hospital, Indianapolis

Visit Dr. Montgomery for the preventive care and immediate and primary care services listed on the left side of this brochure. She looks forward to partnering with you and your family to meet your healthcare needs.
