Substance Use groups and Intensive Outpatient Therapy through our Marion County outpatient office

MyLife program- designed for youth 18-25 transitioning from youth to young adult life

Common Focus areas include but are not limited to:

Anger Management

Anxiety

Attention Deficit Hyperactivity Disorder

Behavior Management

Communication skills

Cooperative skills

Depression

Family/peer issues

Grief and loss

Problem solving

Self-esteem

Substance Use

Suicide

Our Therapists are Masters level providers placed in each elementary school. To begin services students must complete an initial intake assessment. Services are paid through Medicaid, private insurance, other third party sources, or on a sliding scale which is paid for by the family.

Our Life Skills Specialists are Bachelor level providers placed in most elementary schools that may provide services following an initial intake assessment with the therapist. Services are paid by Medicaid, other third party sources, or on a sliding scale which is paid for by the family.
