

General Information

Four fascinating Saturday sessions will allow students in grades 1 - 5 to participate in science activities designed to increase their interest and excitement for science. Participants will use the facilities and equipment of the North Central Science Department under the direction of the North Central science teachers. The activities will involve a variety of experiments in the biological, environmental, physical and chemical sciences. Activities will not duplicate those of the last five years.

When: February 24, March 3, 10 and 17

8:30 a.m. to 10:30 a.m.

or

11:00 a.m. to 1:00 p.m.

Where: North Central High School Science Department

Why: An opportunity for a hands-on science laboratory enrichment experience.

Cost: \$60.00 per student

For additional information please contact:
Mr. Jason Jackson, North Central High School Science
Saturday Science Coordinator

Registration Form

Please note that students who wish to be assigned to the same group should send their forms together, or include a note. We cannot change this after the first week to ensure students do each activity one time.

Please send the completed registration form(s) to Mr. Jason Jackson, North Central High School, 1801 East 86th Street, Indianapolis, Indiana 46240. Include a check for \$60.00 made payable to North Central High School. **I will email confirmation, but you may include a self-addressed stamped envelope for written confirmation if you don't have email.** Please return the below application no later than February 16, 2018 to receive **written** confirmation.

-----cut here one student per form please-----
