If your Waiver of Premium Benefit ends and you do not return to being Actively at Work, you may convert your Employee Basic Life Insurance under the Conversion Privilege.

### **What happens if you do not qualify for the Waiver of Premium Benefit?**

You may continue your Employee Basic Life Insurance with premium payment, subject to any applicable Insurance Continuation provisions or you may convert your Employee Basic Life Insurance under the Conversion Privilege.

## **ACCELERATED BENEFIT**

### **What is the Accelerated Benefit?**

If you experience a Qualifying Event, you may apply for an Accelerated Benefit. The Accelerated Benefit is an advance payment made on your Employee Basic Life Insurance coverage while you are still living. Any Accelerated Benefit payment made reduces your Employee Basic Life Insurance coverage by the amount of the Accelerated Benefit payment.

### **When are you eligible for an Accelerated Benefit?**

You are eligible for an Accelerated Benefit if:

- you are Actively at Work under the Policy; and
- you have been insured under the Policy for Employee Basic Life Insurance for at least 30 days. (This includes any period of time you were insured under the prior insurer's group life policy); and
- you have experienced a Qualifying Event; and
- you are insured for at least \$20,000 of Employee Basic Life Insurance.

## 6. COVERED EMPLOYEE BASIC LIFE INSURANCE BENEFITS

### **How do you receive an Accelerated Benefit?**

You need to submit a written request and Proof that you have experienced a Qualifying Event while your insurance is still in force. Your request must be approved by us. If you have assigned your Employee Basic Life Insurance, named an irrevocable Beneficiary or have a former Spouse named as Beneficiary as part of a divorce decree, you must have a Signed agreement from them that permits the Accelerated Benefit to be paid.

The Accelerated Benefit is paid in a single lump sum amount to you only one time under the Policy.

### **Are there any charges if the Accelerated Benefit is requested?**

No.

### **What is the amount of the Accelerated Benefit?**

You can request up to 75% of the amount of your Employee Basic Life Insurance currently in force. The maximum amount you can request is \$500,000. The minimum amount you may request is \$10,000.

If you have received an Accelerated Benefit under the prior insurer's group life policy, you can request up to 75% of your Employee Basic Life Insurance currently in force reduced by the amount of the Accelerated Benefit you received under the prior policy.

### **What happens to the amount of Employee Basic Life Insurance if you receive an Accelerated Benefit?**

If you have received an Accelerated Benefit from us or the prior insurer's group life policy, your Employee Basic Life Insurance benefit under the Policy will be reduced by an amount equal to the Accelerated Benefit paid by us, and an amount equal to the Accelerated Benefit paid by the prior insurer's group life policy. The reduced amount remains subject to the Policy's terms and conditions.

## **CONVERSION PRIVILEGE**

### **What is the Conversion Privilege?**

If your Employee Basic Life Insurance ceases or reduces, you may be able to convert the amount that ceased or reduced to an individual life insurance policy. You need to apply for the Conversion Privilege within 31 days of the date the coverage ceased or reduced (the "31 Day Conversion Period"), or during any extension of the period permitted by the Policy.

### **When can Employee Basic Life Insurance coverage be converted and how much can be converted?**

If your Employee Basic Life Insurance amount ceases or is reduced due to:

- termination of your employment;
- termination of your membership in an Eligible Class;
- your changing to a different Eligible Class;
- your Retirement;
- your attainment of a specified age;
- termination of your Waiver of Premium Benefit; or
- termination of coverage under the Insurance Continuation provision.

then you may apply for an individual life insurance policy up to the amount of life insurance that ceased or reduced.

If you have been continuously insured under the Policy for at least five years, and all or part of your life insurance ceases or is reduced due to:

- a revision to the Policy to reduce the amount of Employee Basic Life Insurance in your Eligible Class;
- a revision to the Policy to terminate your Eligible Class; or
- termination of the Employee Basic Life Insurance benefit provision.

then you may apply for an individual life insurance policy. The maximum amount of the policy will be the lesser of:

- \$10,000; or
- the amount that ceased or reduced, reduced by any amount of life insurance that you become eligible for under any group policy within 31 days after your insurance ceased or reduced.

You will be issued an individual life insurance policy without providing Evidence of Insurability.

## 6. COVERED EMPLOYEE BASIC LIFE INSURANCE BENEFITS

### **How can you exercise the Conversion Privilege?**

To exercise the Conversion Privilege, you must apply for it in writing and pay the first premium within 31 days following the date your insurance ceases or reduces. This is your 31 Day Conversion Period.

### **May the time to exercise the Conversion Privilege be extended beyond the 31 Day Conversion Period?**

If you are not provided notice by your Employer of your right to exercise the Conversion Privilege within 15 days following the date your Employee Basic Life Insurance ceases or reduces, you will have an additional 30 days from the end of the 31 Day Conversion Period to exercise it. Otherwise, you must exercise the Conversion Privilege within the 31 Day Conversion Period.

### **What type of individual life insurance policy is available?**

The individual life insurance policy may be any plan of life insurance offered by us for the purposes of conversion, at the attained age and the amount requested up to the amount that ceased or reduced. The individual life insurance policy will not include any additional benefits such as a waiver of premium benefit or an accelerated benefit.

The premium for the individual life insurance policy will be determined by the policy type and amount of the individual life insurance policy and the rate we charge for the standard class of risk and age to which you belong on the effective date of the individual life insurance policy.

### **When does the individual life insurance policy start?**

If your application for the individual life insurance policy is received and the first premium is paid when due, the effective date of the individual life insurance policy will be the day after the 31 Day Conversion Period.

### **What happens if you die within 31 days of the date your Employee Basic Life Insurance ceases or reduces?**

If you die within 31 days of the date your Employee Basic Life Insurance ceases or reduces, and we receive notice of claim and Proof of claim, a death benefit will be paid to your Beneficiary whether or not you had applied for an individual life insurance policy or had paid the first premium. The death benefit will be the amount of Employee Basic Life Insurance that you would have been eligible to convert. If you die more than 31 days after the date your Employee Basic Life Insurance ceases or reduces, no death benefit is payable. Thus, even if you die during a period of time in which you may still exercise the Conversion Privilege, but that period of time is more than 31 days after the date your Employee Basic Life Insurance ceases or reduces, no benefit is payable.

## **7. COVERED SPOUSE BASIC LIFE INSURANCE BENEFITS AND DEPENDENT CHILDREN BASIC LIFE INSURANCE BENEFITS**

### **What is the Spouse Basic Life Insurance and Dependent Children Basic Life Insurance benefit?**

If your Spouse or Dependent Child dies while insured under the Policy and we approve the claim, we will pay a Spouse Basic Life Insurance or Dependent Children Basic Life Insurance benefit to you according to the provisions of the Policy.

### **What is the amount of the Spouse Basic Life Insurance and Dependent Children Basic Life Insurance benefit?**

If your Spouse dies while insured under the Policy, we will pay a Spouse Basic Life Insurance benefit equal to your elected Spouse Basic Life Insurance benefit as shown in the Benefit Highlights.

If your Dependent Child dies while insured under the Policy, we will pay a Dependent Children Basic Life Insurance benefit equal to your elected Dependent Children Basic Life Insurance benefit as shown in the Benefit Highlights.

Your amount of Spouse Basic Life Insurance and Dependent Children Basic Life Insurance is subject to any Evidence of Insurability requirements or terminations according to the provisions of the Policy.

If you or your Spouse or Dependent Child had previously exercised the Policy's Conversion Privilege, your amount of Spouse Basic Life Insurance and Dependent Children Basic Life Insurance will be reduced by the amount of any insurance under any coverage issued as a result of the exercise of those provisions unless you cancel such coverage.

## **CONVERSION PRIVILEGE**

### **What is the Conversion Privilege?**

If your Spouse Basic Life Insurance or Dependent Children Basic Life Insurance ceases or reduces, you or your Spouse or Dependent Child may be able to convert the amount that ceased or reduced to an individual life insurance policy. You or your Spouse or Dependent Child need to apply for the Conversion Privilege within 31 days of the date the coverage ceased or reduced (the "31 Day Conversion Period") or during any extension of the period permitted by the Policy.

### **When can Spouse Basic Life Insurance and Dependent Children Basic Life Insurance coverage be converted and how much can be converted?**

If your Spouse Basic Life Insurance or Dependent Children Basic Life Insurance ceases or is reduced due to:

- termination of your employment;
- termination of your membership in an Eligible Class;
- your changing to a different Eligible Class;
- your Retirement;
- your attainment of a specified age;
- termination of coverage under the Insurance Continuation provision;
- termination of the Spouse Basic Life Insurance or Dependent Children Basic Life Insurance;
- your Spouse no longer meeting the definition of Spouse;
- your Dependent Child no longer meeting the definition of Dependent Child; or
- your death;

then you or your Spouse or Dependent Child may apply for an individual life insurance policy on the Spouse's or the Dependent Child's life up to the amount of life insurance that ceased or reduced.

If your Spouse or Dependent Child has been continuously insured under the policy for at least five years, and all or part of your Spouse Basic Life Insurance or Dependent Children Basic Life Insurance ceases or is reduced due to:

- a revision to the Policy to reduce the amount Spouse Basic Life Insurance or Dependent Children Basic Life Insurance in your Eligible Class;

## **7. COVERED SPOUSE BASIC LIFE INSURANCE BENEFITS AND DEPENDENT CHILDREN BASIC LIFE INSURANCE BENEFITS**

- \$10,000; or
- the amount that ceased or reduced, reduced by any amount of life insurance that your Spouse or Dependent Child becomes eligible for under any group policy within 31 days after your Spouse Basic Life Insurance or Dependent Children Basic Life Insurance ceased or reduced.

You or your Spouse or Dependent Child will be issued an individual life insurance policy without providing Evidence of Insurability.

### **How can you or your Spouse or Dependent Child exercise the Conversion Privilege?**

To exercise the Conversion Privilege, you or your Spouse or your Dependent Child must apply for it in writing and pay the first premium within 31 days following the date your Spouse Basic Life Insurance or Dependent Children Basic Life Insurance ceases or reduces. This is your Spouse's or Dependent Child's 31 Day Conversion Period.

### **May the time to exercise the Conversion Privilege be extended beyond the 31 Day Conversion Period?**

If you or your Spouse or Dependent Child are not provided notice by your Employer of your or your Spouse's or the Dependent Child's right to exercise the Conversion Privilege within 15 days following the date your Spouse Basic Life Insurance ceases or reduces, you or your Spouse or Dependent Child will have an additional 30 days from the end of the 31 Day Conversion Period to exercise it. Otherwise, you or your Spouse or Dependent Child must exercise the Conversion Privilege within the 31 Day Conversion Period.

### **What type of individual life insurance policy is available?**

The individual life policy may be any plan of life insurance offered by us for the purposes of conversion, at the attained age and the amount requested up to the amount that ceased or reduced. The individual life policy will not include any additional benefits such as a waiver of premium benefit or an accelerated benefit.

The premium for the individual life insurance policy will be determined by the policy type and amount of the individual life insurance policy and the rate we charge for the standard class of risk and age to which your Spouse or Dependent Child belongs on the effective date of the individual life insurance policy.

### **When does the individual life insurance policy start?**

If your or your Spouse's or Dependent Child's application for the individual life insurance policy is received and the first premium is paid when due, the effective date of the individual life policy will be the day after the 31 Day Conversion Period.

### **What happens if your Spouse or Dependent Child dies within 31 days of the date your Spouse Basic Life Insurance or Dependent Children Basic Life Insurance ceases or reduces?**

If your Spouse or Dependent Child dies within 31 days of the date your Spouse Basic Life Insurance or Dependent Children Basic Life Insurance ceases or reduces, and we receive notice of claim and Proof of claim, a death benefit will be paid to you whether or not application for the individual life insurance policy or payment of the first premium has been made. The death benefit will be the amount of Spouse Basic Life Insurance or Dependent Children Basic Life Insurance that you would have been eligible to convert on the life of your Spouse or Dependent Child. If your Spouse or Dependent Child dies more than 31 days after the date your Spouse Basic Life Insurance or Dependent Children Basic Life Insurance ceases or reduces, no death benefit is payable for that person. Thus, even if your Spouse or Dependent Child dies during a period of time in which you or your Spouse or Dependent Child may still exercise the Conversion Privilege, but that period of time is more than 31 days after the date your Spouse Basic Life Insurance or Dependent Children Basic Life Insurance ceases or reduces, no death benefit is payable for that person.

### **To whom are benefits payable?**

Spouse or Dependent Child death benefits are payable to you.

Employee death benefits are payable in accordance with the Beneficiary designation made by you. Unless you specify otherwise, if more than one beneficiary survives you, all surviving beneficiaries will receive an equal share of the Basic Life Insurance benefit. The Beneficiary designation must be in Writing, in a manner acceptable to us, dated and Signed by you and on file with your Employer. If no beneficiary is alive on the date of your death or if there is no Beneficiary designation, the Basic Life Insurance benefit will be payable to your estate.

If we determine that a claim is payable, we will pay the benefit pursuant to the Beneficiary designation or the terms of the Policy, except in the following situations:

1. the Beneficiary is a minor. If the Beneficiary is a minor, we may pay the benefit: (a) into a retained asset account in the minor’s name that can be accessed by the minor when he or she reaches the age of majority; or (b) to the minor’s court appointed guardian or conservator or other party appointed by a court to be responsible for the minor’s property or estate;
2. the person to receive the benefit is not competent. If the person to receive the benefit is not competent, we will pay the claim to the person’s court appointed guardian or conservator or other party appointed by a court to be responsible for the person’s property or estate; or
3. You die before we pay you. In such case, claim may be made by your executor or the administrator of your estate and we will pay the benefit to your estate.

If we do not pay you and claim is not made by the appropriate person designated above, we may at our option make payments under either Method A or B below. Any decision to pay a benefit, prior to the appointment of the appropriate person designated in items 1, 2, or 3 above is solely at our discretion, and we may choose to pay no amount under any circumstances until such appropriate person is formally appointed.

Method A: We may pay up to \$2,000 to any individual or entity we determine has incurred or paid expenses as a result of funeral services provided to or on your behalf. If we pay such a benefit, we will not have to pay that benefit amount again and the total benefit due under the Policy shall be reduced by the amount paid under this provision.

Method B: We may pay the whole or any part of such benefit:

- to your Spouse, up to a cumulative amount of \$5,000; or
- if you have no Spouse, up to a cumulative amount of \$5,000 to any one or more of the following relatives in the following order of priority:
  1. your child or children; or
  2. your mother or father.

The death benefit may be paid by a method other than a lump sum and may include any method of payment available to us. The available methods of payment will be based on the benefit options offered by us at the time of election, and will include making payment through a retained asset account as permitted by applicable state law.
