In-District Limited Choice (IDLC)

IDLC is an option for those students residing in MSDWT but looking to attend a school other than their home-assigned school. MSDWT families and staff may confirm the home address at this link:

Online IDLC applications are available mid-August and are due before October 15th of each year.

When is an IDLC Application Required?

- A student must apply for IDLC if they reside in MSDWT but wish to attend a school that is different from their home-assigned school.
- A student must re-apply for IDLC if they are **transitioning** from one educational level to another (i.e., progressing from elementary to middle school).
- IDLC approval is NOT an annual requirement - IDLC approval will remain in effect through the time of educational level (i.e., elementary approved or middle school level) as long as the student remains in good standing.
- **Please Note:** Families are responsible for transportation to and from school

Can my student's approval be revoked?

Yes. A student's approval can be put on probationary status or revoked if absences, tardiness, or discipline issues are a concern.

Students and families in applying for IDLC agree to:

- Arrive to school and be in class before the bell rings;
- Not arrive at school prior to the approved arrival time as designated by the building and may not be left unattended; and
- Students must not be picked up before the end of the school day unless for a substantiated appointment.
