A Guide to the Application Process

What is a Nonresident Application?

Nonresident

Nonresident Application

Nonresident applications are for students who do **NOT** live within the boundaries of MSDWT. These have previously been referred to as “Out-of-District” families. MSDWT families and staff may confirm the home address at this link:

When does a student complete a nonresident application?

- Applications must be completed **EACH** year.
- Communication will be sent to families each year reminding them to reapply if they wish to continue as a Nonresident family.
- Applications will be available online beginning October 15th and are due **December 15th** annually.
- Applications can be found on the district website under the Nonresidency Program tab.

What is the process for nonresident application?

- A system automated confirmation for receipt of the application is sent once the application has been submitted online.
- Once the student is approved, the student will then need to enroll at the approved school. *Application approval is NOT enrollment.*
- **Please Note:** Families are responsible for transportation to and from school.

Can my student's approval be revoked?

Yes. A student's approval can be put on probationary status or revoked if absences, tardiness, or discipline issues are a concern.

Students and families in applying for Nonresidency agree to:

- Arrive to school and be in class before the bell rings;
- Not arrive at school prior to the approved arrival time as designated by the building and may not be left unattended; and
- Students must not be picked up before the end of the school day unless for a substantiated appointment.

Frequently Asked Questions

- Is there an application fee for Nonresidency?
-No. There are no associated fees at this time.
- If my student moves out of district and wishes to continue through the term, do I need to fill out a Nonresidency application?
-Yes. Note this is a change of process. It is important to have the application on file for many reasons, including sending important updates. Decisions regarding enrollment are joint between district and building administrators, considering factors such as attendance, behavior, and building capacity.
