RE: 2023 Budget Calendar
DATE: February 2, 2023

On-time property tax bills are a top priority for the Department of Local Government Finance ("Department") for 2023 pay 2024.

To achieve this objective, it is necessary for all involved in the assessment and property tax billing processes to understand that there are sequential deadlines for completing statutory responsibilities. Attached are key deadlines for the calendar year 2023. The deadlines below have been adjusted to reflect the last possible day on which or by which a particular task must be performed. Failure to meet these deadlines may jeopardize on-time tax billing.

The Department will issue additional detailed guidance on many of these topics to local officials throughout the year.

If you have any questions about the Budget submission calendar, please contact your [Department Budget Division Field Representative](#).

PLEASE NOTE: This memorandum is simply intended to be informative and does not take the place of Indiana law. In the event any part of this memorandum conflicts with provisions of the Indiana Code, the Indiana Code governs.
