

October 2023

**WASHINGTON TOWNSHIP SCHOOLS**

# MONTH IN REVIEW

## **NORTH CENTRAL HIGH SCHOOL PRINCIPAL NAMED INDIANA PRINCIPAL OF THE YEAR**

NCHS Principal, Dr. Danny Mendez, was named the 2022 Indiana Principal of the Year. Dr. Mendez recently traveled to Washington D.C. to attend the National Principal of the Year recognition program to celebrate this prestigious honor. We are proud to have Dr. Mendez as part of our WTS family!

## **WTS SEES HIGHEST INCREASE IN STUDENT ENROLLMENT IN MARION COUNTY**

We all know that WTS is a great place to work and learn, and it seems that the word is getting out. Upon the official count of the District's enrollment, we are proud to announce that we are up over 200 students, making this the largest gain of any

district in Marion County. While the District has taken steps to boost enrollment over the past year, this significant increase speaks to our high-quality instructors, rich program offerings, and exceptional learning facilities. Welcome to our new families!

## **The Washington Township Schools Foundation Engages NCHS Alumni and the Community Through Annual Tailgate**

Washington Township Schools Foundation hosted the annual NCHS Homecoming Tailgate Party before the big game, and it was the place to be for all WT families and alumni! The event included live music, tailgate food from JEL, games, prizes, and a ton of fun. Thank you to all who came out to celebrate, and we invite everyone to enjoy this free community event next year!
